OUR MISSION

Our mission is to teach individuals and enterprises how to continuously improve through e-learning, certifications, and events.

OUR APPROACH

From increasing production to reducing waste and refining processes, there's always an opportunity to improve. Whatever success looks like for you, we guide you in identifying, understanding, and resolving challenges effectively and efficiently. Whether you're a local enterprise or a global corporation, our aim is to embed a culture of continuous improvement within your organization.

WHY GEMBA ACADEMY?

AFFORDABLE

Our site-based model means that everyone at a particular geographic location gets access, with no added cost per person. Multi-site options and global licenses are also available. Whatever option you choose, we regularly add new content that existing subscribers can access at no additional cost, creating a dynamic learning experience.

ADAPTABLE

Regardless of size, number of sites , or industry, we're committed to finding a solution to help the specific needs of your organization. Our optional Learning System takes training to the next level by incorporating tracking, reporting, custom learning paths, and more. We can even integrate our content into your existing Learning Management System.

ACCESSIBLE

Our videos feature expert practitioners and are designed to maximize learning efficiency, ranging from 5-15 minutes in length. Short interactive quizzes paired with supplemental resources allow for reinforced learning and immediate application of new principles. Subtitles are also available for non-English speakers.
