YELLOW BELT
LEAN SIX SIGMA CERTIFICATION

Foundational

The Yellow Belt certification is an excellent opportunity for anyone who wishes to build a solid foundation of continuous improvement knowledge and practice. It's strongly recommended for all personnel who have the responsibility to solve problems and improve processes. Ideally, everyone in your organization would have this skill set.

Accessible

Our videos feature expert practitioners and are designed to maximize learning efficiency, ranging from 5-15 minutes in length. Short interactive quizzes paired with supplemental resources allow for reinforced learning and immediate application of new principles.

Flexible

Candidates receive full access to the course content for 12 weeks, allowing them to set their own goals and their own pace. Participants will make 5S improvements, identify and remove waste, and complete a root cause analysis.

Accelerate your Yellow Belt journey with optional coaching.
