THE GEMBA ACADEMY LEARNING SYSTEM

OUR MISSION

Our mission is to teach individuals and enterprises how to continuously improve through e-learning, certifications, and events.

OUR APPROACH

From increasing production to reducing waste and refining processes, there's always an opportunity to improve. Whatever success looks like for you, we guide you in identifying, understanding, and resolving challenges effectively and efficiently. Whether you're a local enterprise or a global corporation, our aim is to embed a culture of continuous improvement within your organization.

WHY GEMBA ACADEMY?

AFFORDABLE

The Gemba Academy Learning System includes all of the content we have to offer. Our per user-based model means that 50 individuals at any location can access at any time from any location. Have more than 50 individuals that need training? We'll work with you to establish a fair pricing model. We regularly add new content that existing subscribers can access at no additional cost, creating a dynamic learning experience.

ADAPTABLE

Our Learning System is the ultimate way to customize your Gemba Academy subscription. You have the ability to track progress, record usage and reporting, and create custom learning paths for various user groups in your organization.

ACCESSIBLE

Our videos feature expert practitioners and are designed to maximize learning efficiency, ranging from 5-15 minutes in length. Short interactive quizzes paired with supplemental resources allow for reinforced learning and immediate application of new principles. Subtitles are also available for non-English speakers.
